## Safety Awards Presented Town

Two safety awards were presented to the Town of Andover by officials from the registry of motor vehicles at ceremonies Tuesday morning in the town house.

The first award was from the American Automobile association for having no pedestrian deaths in 1953 and the other was from the National Safety Council for going through the year 1953 without a fatal motor vehicle traffic accident.

Police Chief David L. Nicoll received the award. (Continued on Page Two)

### Service Club Plans For Ladies' Night

The first ladies' night in the history of the Andover Service club will be held Thursday, Oct. 28 at the Andover Country Club when members will be allowed to have women guests and a woman will be the principal speaker. The event will open with dinner at 6:30 p.m.

The speaker of the evening will be Miss Mary Sarah King, society. (Continued on Page Ten)

The resignation of Atty. Walter C. Tomlinson as town counsel has been accepted by the board of selectmen with regret and Atty. Vincent F. Stulgis has been appointed to fill out the unexpired term until Apr. 1, 1955.

Mr. Tomlinson, who resides at 53 Cheever circle, has been counsel for the town since 1942. He is also a member of the planning board and associate member of the board of appeals.

In his letter of resignation to the board of selectmen, Mr. Tomlinson stated that he was resigning to accept a position with the state. (Continued on Page Two)

### 8080 Qualified To Ballot In State Election

Andover has 8080 voters qualified to vote in the state election Nov. 2.

Polls in the town will be open from 7 a.m. to 7 p.m.

Local interest centers upon the candidacy of Representative and Selectman J. Everett Collins (R) for county treasurer; John Adams (R) for re-election as senator from the Fourth Essex district; and John R. Ahern (D) in the contest for county commissioner.

Voters will also be asked to vote yes or no on the following questions: Question No. 1, A. Shall licenses be granted in this town for the sale therein of all alcoholic beverages (whiskey, rum, gin, malt beverages, wines and all other alcoholic beverages?)

B. Shall licenses be granted in this town for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages?)

C. Shall licenses be granted in this town for the sale therein of all alcoholic beverages in packages, so called, not to be drunk on the premises?

Question No. 2. A. Shall the pari-mutuel system of betting on licensed horse races be permitted in this county?

B. Shall the pari-mutuel system of betting on licensed dog races be permitted in this county?

### MINIMUM WATER RATE ADVANCED

The minimum water rate has been advanced by the board of public works from \$6 to \$12 annually. This will affect those who pay less than \$12 yearly but will make no difference to those whose bills are over \$12 each year.

The school committee by a 4-1 vote at a special meeting last week went on record in favor of a three-year high school.

This action came after a meeting with the school building committee when sites for a proposed new high school were discussed.

In a session that followed the joint meeting the school committee on motion of Mrs. Dorothy Partridge seconded by Miss Anna M. Greeley voted that "the school committee recommends to the building committee the construction of a new high school which would house the 10th, 11th and 12th grades and which could be expanded to accommodate the 9th grade as the total school population increases."

## Take Slingshots From Youngsters

Police Chief David L. Nicoll wishes to call attention of parents to the fact that numberless youngsters are indulging in the dangerous practice of shooting paper clips from sling shots and asks their cooperation in ending this type of prank before serious injury results.

"These are apt to be dangerous to anybody," the chief said, "and can inflict serious injury to a person if struck in the eye."

Dozens of sling shots and a large amount of paper clips were taken away from boys at the football game here Saturday afternoon.

The police department is making an effort to stop this practice.

**TOWN COUNSEL RESIGNS; STULGIS APPOINTED**

(Continued from Page One)

the selectmen he cites his reason for submitting his resignation at this time is due to his inability to devote sufficient time to the duties of that position.

Mr. Tomlinson is a member of the Lawrence, the Massachusetts and the American Bar associations, the Andover Service club and the Dartmouth club of Lawrence. He also served as trial justice here for three 3-year terms beginning in 1940.

Atty. Vincent F. Stulgis, appointed to fill the unexpired term, is a member of the Lawrence and the Boston Bar associations and was admitted to practice before the federal court. A veteran and past vice commander of Andover post, 8, American Legion, and the 40 and 8 of Essex county, he is a former chairman of the Andover Town republican committee, member of the Andover Service club, Christ church, St. Matthew's lodge, A.F. & A.M., the Square & Compass club and is connected with the claim division of the Century Indemnity Co.,

Atty. Tomlinson sent the following letter of resignation to the selectmen:

October 9, 1954

J. Everett Collins, Chairman  
Board of Selectmen  
Town Hall  
Andover, Massachusetts  
Dear Mr. Collins:

It is with considerable regret that I hereby tender my resignation as Town Counsel of Andover. This is occasioned by my inability to devote sufficient time to the duties of this position.

It has been a privilege and pleasure to serve your board, your predecessors and other town officials for many years. I shall of course continue to be interested in town affairs and shall co-operate fully with my successor.

Very truly yours,  
(signed) Walter C. Tomlinson

In reply the selectmen accepted the resignation and expressed their thanks on behalf of the people of the town for his faithful service as a public servant.

Their letter follows:

October 15, 1954

Atty. Walter C. Tomlinson  
301 Essex Street  
Lawrence, Mass.

Dear Walter:

We have your letter of October 9th in which you tender your resignation as Town Counsel of Andover. We were in hopes that you might reconsider this act and remain with us for the remainder of your term, but realizing how busy you are and where you want to have this resignation take effect at once, we are accepting this with regrets.

This Board wishes to express our sincere thanks for the people of Andover for your faithful service as a public servant for this town for a great many years. We know that you will be ready to help us out wherever needed if the occasion should arise.

Very truly yours,  
BOARD OF SELECTMEN  
(signed) J. Everett Collins, Chairman

**Relocate Route 28 In West Andover**

Route 28 will be relocated in the western part of Andover and will follow a line almost identical with that proposed by the selectmen and planning board last spring. State Public Works Commissioner John A. Volpe announced Monday.

Several local officials as well as representatives of other communities along the route were present at Volpe's office in Boston when he showed how this 22 miles of Route 28 would run between Somerville and the New Hampshire line.

Selectmen J. Everett Collins, Sidney P. White and Stafford A. Lindsay, Chairman Kirk R. Batcheller of the planning board and Sen. John Adams were present from Andover.

Volpe said the westerly route was accepted in conformity with the recommendations of his engineers and the wishes of the affected communities. Ten communities favored the westerly route, only Haverhill was opposed. Haverhill seeks a relocation of Route 125 with construction of a new bridge over the Merrimack river in Ward Hill to meet the traffic problem that is expected when the Western Electric moves into a new \$15,000,000 plant now under construction in North Andover.

In favor of the westerly location were Stoneham, Wakefield, Woburn, Reading, North Reading, Andover, North Andover, Methuen, Lawrence and Wilmington.

The new proposed route will generally follow the Fellsway West to a point near Spot Pond in Stoneham, veer westerly and by-pass the business sections of Stoneham and Reading.

It will enter Andover just west of Lowell Junction and west of Reed's turkey farm, continue approximately 1000 to 1100 feet westerly of Lovejoy and Greenwood roads and east of Haggett's pond, cross Chandler road and cross River road near Shattuck's farm and then cross the Merrimack river to Methuen at a point westerly of the Glen Forest section to Route 28 at the New Hampshire line.

Volpe said the location of the route in various communities is still tentative and that conferences would be held with officials and residents along the way to get the benefit of their recommendations and suggestions.

He expects that work will be started next summer and that it would take from two to three years to complete at a cost of about \$25,000,000. He said the new route differed materially from the 1948 master plan and would save \$2,500,000. It will be a double-barreled expressway starting in Somerville from the vicinity of the Ford plant. Much of the proposed location will be in virgin territory in Andover.

Little, supervisor of special services and safety education; William F. Bench, supervisor of special services and veterans facilities and handicapped; George E. Hancock, motor vehicle examiner of Lawrence; and James Perry, hearings officer in Lawrence. Mr. Bonzagni made the presentations.

The award from the American Automobile association read as follows: "For excellency of pedestrian record Andover, Mass., is commended for its outstanding record of no pedestrian deaths during 1953 as reported in the American Automobile Association national Pedestrian Protection contest."

The award from the National Safety Council read: "In recognition of its accomplishment in completing the year (1953) without a fatal motor vehicle traffic accident within the municipal limits."

**Outline Operations Of Phone Company**

Frank P. Desmond, local manager of the N.E. Tel. & Tel. Co. spoke before the recent meeting of the Women's club of the South church on the topic, "The Andover Story."

In his discussion Mr. Desmond described what the telephone company is doing in Andover to give the subscribers here good service. There was also shown a color film "Of Many Voices," showing a man entering the service of the telephone company and his duties through the years he spent there. There was also a short movie showing the operation of long distance toll calls.

**Preaching Mission In Christ Church**

The Rev. Claxton Monro, rector of St. Stephen's church in Houston, Tex., will hold a preaching mission in Christ church during week of Nov. 1-7. Services will be held each evening (except Sunday) at 7:45. Each service will consist of two or three well known hymns, a few prayers and an address by Mr. Monro. There will be a short period in which Mr. Monro will answer questions given him beforehand. The members of the church and those who are connected with no church are cordially invited to attend. The services are for all who are seeking help in lives or in their thinking.

Mr. Monro is well known to many in Andover as he was brought here. He is a graduate of Punc class of 1931, and of Phillips Academy, class of 1932. Upon graduation from MIT with the class of 1936, Mr. Monro was in business for four years. In 1940 he entered General Theological seminary, New York, taking his degree in 1943. After serving two years as assistant minister at Calvary church, New York City, he was called to be rector of Grace church, New York, where he served until called to St. Stephen's church, Houston, Tex.

Mr. Monro has conducted preaching missions, one of them in Bermuda. He has an approach to religious matters which is practical and has direct application to daily living. He has officiated at many weddings and has preached in Christ church every August during the past years.

## P. H. S. SPORT

### Punchard 19, Chelmsford 19

In a game replete with thrills up to the closing moment, Punchard and Chelmsford battled to a 19-19 tie at the playstead Saturday.

The lead changed three times during the game, Punchard scoring first, then Chelmsford scoring twice to lead 13-7 at the half. The Blue Devils then fought back to a 19-13 lead only to have the visitors take the next kickoff and in four plays put over the tying score.

Both teams provided several thrilling plays as they got their offensives working. Chelmsford uncorked a number of tricky plays during the afternoon with passes and long runs coming from them. The visitors constantly threatened and even in the closing moments chilled the Blue and Gold cohorts by intercepting a Punchard forward and racing back to the local's 22. They went to the air in a dying effort to pull off a victory but the game ended before they could succeed.

The summary:

	1	2	3	4	T
Punchard . . .	0	7	6	6	19
Chelmsford . .	0	13	0	0	19

Touchdowns: Punchard—Wadman, Schwarzenberg, Vickers; Chelmsford—Hall 2, Prescott. Points after touchdown: Punchard—Grudzinski (rush); Chelmsford—Marchand (pass).

### Punchard Rating

With one win, two losses and a tie for six points Punchard stands in a nine-place tie in the present

Class C schoolboy ratings. Methuen with one win and three losses for six points is in this same tie. North Andover is in a 43rd-place tie with one win, three losses for four points.

## The United Fund

The rapid manner in which the local United Fund committee expanded since its first organizational meeting a few weeks ago augurs well for the success of the campaign here in Andover.

From the handful of citizens present when Stafford A. Lindsay, the Andover chairman called that meeting to order the number of men and women willing to give their services to the task of promoting the welfare of the 21 agencies participating in the fund has expanded to more than 80. And the number continues to grow.

Much work has to be accomplished by this group during the next few weeks as the special gifts committee is finishing up its part of the drive and the house-to-house workers are getting ready for their round of neighborly calls.

Chairman Lindsay looks forward to Andover doing more than its share in this worthy enterprise. He says that the success of the drive depends on three things: a worthy objective; sincere workers, and generous givers.

He feels that the campaign will find all three closely joined in the weeks ahead and that can mean only one thing—success for the United Fund.

## No Stock Exchange

In the Soviet city of Leningrad, known as St. Petersburg before the Bolshevik revolution, there is a big building which looks like a Greek temple. Today it is a military museum.

But that wasn't always the case. For a century this building housed a flourishing stock exchange. Through it capital from inside and outside Russia was channeled to build railroads, finance mining operations, construct factories, and so on. The exchange died when communism took over industry and destroyed all private enterprise and the free market. There is no stock exchange in Russia now.

There was plenty of oppression and exploitation in Czarist Russia. But history shows that conditions were steadily getting better. Little by little, until World War I, the lot of the people improved. Freedoms were gained. All this was reversed when Communism seized power and established the ultimate in tyranny. And the death of the old stock exchange is symbolic of what happened.

Contentment may be a virtue in some ways but it is certain death to enterprise.

## Down the Years with The Townsman

### 50 Years Ago — October 1904

The Andover Rough Riders have received invitations to attend parades in Peabody, Haverhill and Newburyport. Torchlight parades are also to be held soon in Lowell and Beverly. The club will drill tonight.

A man was found wandering around the square Wednesday morning by Chief Frye and taken to the police station. The man claimed to have been drugged in a Lawrence saloon and was at a loss to know how he came to Andover.

Ten thieves made a visit to Frye Village Sunday night and took a number of fowl from the coops of Joseph W. Poor and Joseph Pluff. The thieves were evidently frightened away as the birds were found headless the next morning in a field near the houses. It is believed the thieves intended to pluck them before carrying them away.

Russians take the offensive in vain, is our headline showing the progress of that struggle around Mukden. The Japanese anticipated the blow, took the offensive themselves and chased the Russians back to their former defenses.

Christ church has come into possession of the property of the late Mrs. M. W. Blodgett on the corner of Central and Brook streets.

The new heating apparatus is complete at the Richardson school at Frye Village and the teachers and pupils are looking forward to a more comfortable winter than they have had for some time.

A minstrel show for the benefit of the Andover playstead will be held two nights next week. Indications point to one of the finest shows ever held in the town.

Officer John Quirk of Lynn, while attempting to arrest a drunk was tied to the patrol box by electricity. The drunk released him and the officer returned the favor by releasing the drunk, who staggered off to his home.

### 25 Years Ago — October 1929

The Ladies auxiliary to Clan Johnston observed the 10th anniversary of its affiliation to the Grand Lodge with fitting ceremonies in Fraternal hall. Many Clansmen were among the guests.

Miss Honora Cronin was re-elected grand regent of Court St. Monica, 783, C.D. of A.

Phillips academy's new \$3000 sundial in the form of an armillary sphere has been installed in front of Samuel Phelps hall. Paul Manship, the sculptor, has produced an object which for its beauty should draw admirers from all over the country.

At the annual meeting held Oct. 10 in Indianapolis, Burton S. Flagg, president of the Merrimack, Cambridge, Lynn Manufacturers & Merchants and the Bay State Fire Insurance companies was elected president of the National Association of Mutual Insurance companies.

The first school dance of the season was held Friday evening at Punchard with about 150 in attendance.

Six members of the Girls' Friend-

ly society of Christ church hiked to Lowell the afternoon of Columbus day.

### 10 Years Ago — October 1944

An alert telephone operator, Miss Florence V. Gilman, was responsible for the early discovery of fire in Ballardvale which caused an estimated loss of \$20,000 last Tuesday morning to property recently purchased by the Shawsheen Rubber Co., from the Wool Wagon house Corp. of Boston. Noticing light flashing on her switchboard about 2:10 a.m., she contacted Sgt. Hickey, who with Officer C. Stevens investigated. They sounded Box 24 in the Vale and expressed the opinion that the wooden building might have been destroyed by not Miss Gilman notified the authorities promptly. The fire started in the basement and followed the elevator shaft to the roof. Early discovery enabled the firemen to confine it to one section of the building.

Fire Chief C. Edward Buckner addressed an assembly at the Stone school last week and told the pupils countless ways in which they could assist and help prevent fires.

The Andover unit of the stage guard with their guests held a party at Balmoral hall Saturday night at which movies of the men in the unit were shown by Capt. H. Grison Holt.

Members of the Shawsheen Village Woman's club are busy making Christmas bags for disabled veterans.

### IN B.U. MUSIC POST

Keith H. Gould, son of the late and Mrs. Stanley A. Gould, 11 Main st., has been appointed graduate assistant in Boston university's College of Music. At Arizona State college he majored in organ and voice and received a bachelor of science degree in music education. He is married to the former Lois D. Craig of Andover.

### HOSPITAL NOTE

Miss Mary V. Cummings, 11 Pasho st., was taken to the Sacred Heart hospital in Manchester, N.H. and treated for lacerations of the head following an automobile accident in that city Monday.

## DANGER in the FALL

No pun intended... but you know that this time of year comes the fall of a good many folks who slip on sidewalks, front steps and wherever walking may get a bit hazardous. If they can blame that slippery condition on the way you take care of your property their fall may hurt you right in the pocketbook. If you do not have liability insurance, now is the time to find out about it. Ask us.

One of the many thrilling plays in the Punchard-Chelmsford 19 to 19 tie game at the playstead Saturday. It was early in the fourth quarter and the Blue Devils had the ball on their own 46 when Bert Damon tossed a pass to Billy Vickers, shown just catching the ball on the Chelmsford 40. He turned and eluding the Chelmsford defenders raced over for a touchdown. In a very close game with the outcome in doubt until the final horn, Medford high's soccer team beat Phillips academy 1-0 at the academy field Oct. 13.

In the junior varsity contest Medford beat Andover 2-1.

### Amherst Fresh Stuns P.A. 20-6

Scoring a touchdown on the second play of the game at Brothers Field Saturday afternoon Amherst Fresh romped away from the Blue 20 to 6.

Tom Gorham, Amherst back, galloped 79 yards totally for the visitors in the first minute of plan and then Amherst scored again after intercepting a pass in midfield and marching downfield with Crumstick

going over. The visitors tallied again in the third when Dave Stow circled his right end for a 29 yard romp to a touchdown.

Andover's score came in the second when an Amherst punt was carried back to the visitors' 21 where a pass from Forstman to Fisher put the ball on the one, from where Fisher tallied on the next play.

The summary:

	1	2	3	4
Amherst . . .	13	0	7	0
Andover . . .	0	6	0	0

Touchdowns: Amherst—Gorham, Stow, Crumstick; Andover—Fisher. Point after touchdown: Amherst—Crumstick.

### NEW BOOKS

The Handbook Of Window Display, Castro.

A 1954 book which should be read by every person in business who realizes the worth of display advertising. This emphasizes the use of display fixtures and backgrounds, lighting effects, miniature models, wire forms, elevations, etc. Gives detailed plans for remodeling store fronts for greatest space. An excellent book for small store owners, designers, dressers and beginners in art of window display.

Conquest Of The Moon, Braun. Not "science fiction" but the first authentic answer to such questions as how soon? How? Who will go? What Equipment? How will they return? Based on facts, this is the work of distinguished scientists and artists.

Tomorrow's Air Age, Alexander.

A report on the foreseeable future, done with full cooperation of the air force research laboratories, reveals that we are just beginning. Claims that the next few years can more than triple the achievements of the past fifty and will affect all areas of our lives. Serious discussion of human factors involved in the next air age.

American Revolution, 1775-1783.

Alden. This broad picture of the British and American colonists before the conflict and on through the bitter fighting, touches on the problems of finance and supply, morale, and loyalties. Book is one of "New American Nation Series."

Alexandra, Edward VII's Unpredictable Queen, Tisdall.

Amusing biography of a woman involved in international affairs for a great part of her life because of her family relationships. Author

wrote the delightful book "Queen Victoria's Mr. Brown", the story of the most remarkable servant in British royal history.

### United Fund Drive Off To Good Start

The United Fund campaign in Andover is getting off to a flying start and early reports of the special gifts solicitors are most encouraging, Chairman Stafford A. Lindsay said yesterday.

Workers will be at the town house Friday and Saturday, Oct. 22 and 23 to receive returns from the special gifts group.

Meanwhile the house-to-house solicitors are being organized so that they can start their part of the drive later this month.

Chairman Lindsay noted that in order to make the drive in Andover a success "we must get twice as much as was given last year." In the chest campaign last year the local quota was \$22,000. For the United Fund drive no quota has been set but Chairman Lindsay points out that about \$40,000 is needed in the Andover division for the 21 agencies now taking part in the fund.

### SCHOOL BOARD FAVORS 3-YEAR HIGH SCHOOL

(Continued from Page One)

Member Roy A. Russell, Mrs. Partridge and Miss Greeley voted in favor of the motion. Sec. William A. Doherty, who advocates a four-year high school, dissented.

The school committee also received a petition from a group of local citizens protesting the recent award of a school bus contract to an out-of-town bidder and asking the committee to reconsider that action.

The committee agreed to have the secretary advise the group that the contract has been awarded on the basis of the lowest bidder and in accordance with the specifications.

In the joint session with the building committee two sites appeared to be favored, the Foster place off Central street and the Esther Smith estate on Shawsheen road. The Carmel Woods site was brought up for discussion but this was ruled out as it was thought a large amount of ledge existed there. However, soundings will be taken on all three locations.

The building committee also asked the school committee if it wanted a three-year or a four-year high school.

This subject was taken up in the special session of the school committee which followed. Supt. Edward I. Erickson and Headmaster Lindsay J. March discussed the matter with the members and finally the 4 to 1 vote was taken in favor of the three-year high school.

#### FREE FILMS AVAILABLE

For the first time, films on many subjects are being made available at the library to clubs and organizations of the community for showing during their meetings, as subjects for discussion or for recreation purposes. No charge for renting the films or transportation of them is being made. All are to be sound films, and must be used on sound projectors. For those groups which have no equipment, the library will loan its projector. During October four films will be available.

### Hallowe'en Parties To Be Held Oct. 30

The community Hallowe'en parties sponsored by the Andover Recreation committee and other cooperating organizations will be held Saturday night, Oct. 30.

Programs have been arranged for the West Center, Ballardvale, North District and Memorial auditorium. The Indian Ridge youngsters will join this year with the West Center group.

The highlight of the evening will be the costumed parade starting in the square at 6:45 p.m. with the Punchard Girls' band leading the marchers up Main street to Chestnut and to the auditorium.

Here there will be a 45 minute entertainment of special acts besides the awards to be made for the best costumes and the penny grab for the little tots. They will then go down to the cafeteria for refreshments and the gym will be given over to dancing by the junior and senior high school pupils.

Refreshments for the youngsters at all places will include lollipops, ice cream, cookies and tonic. The high school groups have voted to have cider and doughnuts.

Several of the cooperating organizations have already sent in their donations to the recreation committee and the rest are expected to be made this week.

#### MOTORIST INJURED

Robert J. LaRoche of 11 Holt st., Lawrence was removed to the Lawrence General hospital for treatment after an auto he was driving struck a tree on Lowell street near Haggett's pond about 1:20 a.m. Oct. 17. Officers Warren Maddox and James Gorrie investigated.

#### MEETING NOTICE

The Andover Taxpayers association will hold its annual election of officers and directors at a meeting Monday, 8 p.m., Oct. 25 in the Memorial Hall library. All interested are invited to attend.

## Town Ready To Observe Hallowe'en

Preparations are complete for the entertainment of all the ghosts and goblins that will be out observing Hallowe'en Saturday night.

The Andover Recreation committee in conjunction with several cooperating organizations will have excellent community parties at four different places in town, the Memorial auditorium, the North District school house, the West Center elementary school and the Ballardvale community rooms.

In the center of the town the big parade headed by the Punchard Girls' band will start from the square promptly at 6:45 p.m., and proceed to the auditorium where a program of high class entertainment has been arranged for them. This will be followed by dancing in the gym for high school students.

At the North District another entertainment will be held at 6:30 o'clock. At the West school the PTA of that district is assisting in the parade and entertainment, and in Ballardvale another group is helping to provide a good time for the youngsters.

In all four places prizes will be awarded for the best costumes, the speller tots will have a penny grab and plenty of refreshments will be on hand to satisfy the inner
